

## HALL OF FAME: BUILDER/VOLUNTEER CATEGORY

The following builders/volunteers will be considered as inductees into the Hall of Fame: an builder/volunteer who was born and/or raised here and someone from our community who has contributed to the greater sporting community at large who have brought honour to our community through their building and supporting sport in Orillia.

Criteria
<input type="checkbox"/> The builder must be viewed not on the level of achievement, but most importantly on the significance and importance of their contribution to sport.
<input type="checkbox"/> The variety and the level of positions held, the importance of work done, awards and honours earned, advancements made and their role in providing opportunities
<input type="checkbox"/> When it comes to the contribution of builders/volunteers it is appropriate to consider sport, the communities, the eras, the many factors which have made the accomplishment noteworthy.
<input type="checkbox"/> Continuous involvement with their sport(s) although they may change positions or levels of involvement several times. (outline how this was demonstrated)
<input type="checkbox"/> Personal qualities are an important consideration. Demonstration of hard work and dedication to the sport. (outline how this was demonstrated)
<input type="checkbox"/> Consistent dedication to sport and community over time. Level of footprint to Orillia.
